

Welcome to Florida's

You are cordially invited to our
**16th International Hope Alive Counselors Association
(IHACA) Conference and Annual General Meeting**
“Melding Belief and Behaviour “

The program will include opportunities for all those doing groups to present for general discussion and feedback their most interesting and difficult cases. There will also be workshops on innovations, updates from various countries, business for the whole association and an event open to the public.

Hope is Alive in the USA!!
